

Marston Conference & Meeting Room Emergency Plan (L136)

- Emergency exits are marked on the floor plan (attached) in red. The exit closest to the Conference Room is located in the rear of the Computer Lab.
- If any member of your group is unable to evacuate, notify police/fire or a library staff member after getting to safety.
- If Shelter In Place is required, the doors to the Conference Room automatically lock from the inside when shut.
- The Conference Room is equipped with a University landline phone, located at the computer podium.
